Re: Quad County Charter Status

Dear Chamber of Commerce,

Our records show you have done business in the past with Quad County REACT Team. We are writing this to notify you that they no longer have a charter with REACT Intl. This means they may no longer use the REACT name in any way.

REACT Intl no longer endorses them nor do they have insurance thru the RI carrier meaning that any dealings with this group will be at your own risk.

The C-260 chartered team also known as Multi-County REACT Response Team is still the chartered team for Stark County. They may be contacted to handle any of your functions. Their phone number is 330-508-1569 or the team address is MCRRT Po Box 483 Massillon, OH 44648.

If you have any further questions feel free to contact myself Jason Boone, I am the president of the Ohio REACT Council. You may call or write me at the above contacts.

We here at Council sincerely hope REACT can continue to serve you.

REACTively Yours,

Jason Boone  
Pres. Ohio State REACT Council
